

Vaibhav (aka Rasti) is a licensed buyer's agent, property specialist and a long-term property investor, who specialise in helping home buyers and investors buy the right property at the right location for the right price.

Vaibhav is very passionate about helping others to achieve home ownership or their investment goals. His specialist knowledge enables him to assist and support property owners/investors throughout the property acquisition process ensuring they make educated and informed decisions. He specialise in providing an accurate and objective assessment of properties, combined with exceptional communication skills, effective negotiation and organisational skills ensuring that the clients locate quality properties that meet their specific requirements.

Along with B.Arch., Vaibhav also holds a CFA Charter and MBA qualification.

About Get Rare

Get Rare is a bespoke and highly personalised Buyers Agency representing property buyers in the purchasing process. Our systems and procedures are implemented to eliminate stress and frustration ensuring the buying process is enjoyable and rewarding. We are dedicated to providing our clients with extensive research and independent data driven advice ensuring your property purchase meets your personalised requirements.

At Get Rare, we work with our clients to build and implement bespoke strategies to build long-term wealth, and we take pride in that.

Our Mission

Get Rare's purpose is to educate and support those who wish to either move in their dream home to live in or grow a passive income through property investing and/or getting into small developments. Our aim is to ensure that the buyer is as fully informed as possible, strategic and does not overpay for the property.

Our mission is to make your hard-earned money work harder for you, and help you take a step closer to Get Rich and Retire Early, hence the name Get RARE.

Our Services

Vaibhav works extensively to find the right property, at the right location for the right price. He primarily serves:

- First Home Buyers
- Property Investors
- Small to Medium Developers

Our Advantage

Vaibhav's five years undergrad degree in Architecture enables him to appreciate the quality and value of designs and attributes of a good property. Pursuing his passion of making money work harder, he later switched his career into Finance Industry where he served for 10 years as an Investment Analyst / Portfolio Manager in Asset Management industry, with prime focus on Equities Research and Asset Allocation. The Research role helps him comprehend the fundamental drivers which fuel the capital growth in property markets.

Vaibhav has built a multi-million-dollar portfolio in a short span of time. He actually borrowed money on credit cards to pay for the deposit for his first property. His portfolio now provides him the passive income, allowing him to step out of the corporate world to dedicate more time to researching, developing and investing in property.

With a wealth of knowledge, Vaibhav is committed to sharing his expertise to help you build your property portfolio to suit your needs allowing you to not only live your own dreams but materialise your vision and purpose of life.

"I take immense pleasure - seeing my clients either acquiring their dream home to live in or to add to their investment property portfolio with confidence whilst getting closer to their financial freedom."
